## TEDS SA Discharge File/Incentive Bonds

July 2007 is the month in which Centers must begin collecting Discharge information. The July file won't be due at RDMC until October, but Discharge information should be collected for all TEDS SA clients beginning July 1. Details and specifications for the Discharge file are available at [http://www.mhmr.ky.gov/cmhc/files/ImpGuide\\_2008/21-ImpGuide\\_Discharge.pdf](http://www.mhmr.ky.gov/cmhc/files/ImpGuide_2008/21-ImpGuide_Discharge.pdf).

The Discharge files will be included in the Incentive Bonds calculations beginning with next Incentive Bond Year. So, starting with the January 2008 file, data quality and timeliness for Discharge files will affect Incentive Bond funding.

## MHSIP Implementation

*The Mental Health Statistics Improvement Program (MHSIP)* Adult Consumer Survey is now available in scan sheet format. Forms were distributed at the June 28, QMOT (Quality Management Outcomes Team) meeting to those who requested them. Full implementation for the MHSIP surveys is expected to take place later this year.
